Green Country Woodworkers proudly presents

The Wood Whisperer - **Marc Spagnuolo**

<http://www.thewoodwhisperer.com/>

Marc's Wood Creations is based out of Phoenix, Arizona. Marc is primarily focused on studio furniture, but frequently gets requests for standard cabinetry, commercial work, and refinishing. Marc started woodworking as a hobby and read every book and magazine he could get. He also took numerous classes. Marc says the pinnacle of his training was a short-term apprenticeship with his good friend and mentor David J. Marks.
